09/16/2016	108	MINUTE entry before the Honorable Michael T. Mason:Plaintiffs' motion instanter for leave to file a brief in excess of 15 pages 103 is denied. At the 9/14/16 status hearing, plaintiffs' counsel stated that a motion to compel would be filed later the same day and sought leave of Court to file certain documents under seal. Further, during the 9/14/16 status hearing, the deadlines were listed and no objections were raised when parties were asked if there were other matters to discuss. Accordingly, plaintiffs' motion to compel and to extend discovery deadlines 105 is terminated. Plaintiffs are to file the motion to compel, not to exceed 15 pages, by the end of the day today, 9/16/16. 12/01/2017	170	MINUTE entry before the Honorable Michael T. Mason:The Court notes that plaintiffs

		have not filed a response to defendants' motion to exclude the purported expert opinions of Christopher Jackman 156 . On 10/31/17, this Court ordered plaintiffs' response to be filed by 11/20/17. On 11/1/17, plaintiffs filed a motion for reconsideration of the class certification briefing schedule and asked the Court to adopt the briefing schedule entered by the District Court. In the alternative, plaintiffs proposed alternative deadlines and also addressed alternative deadlines for responding to the motion to exclude the expert opinions of Christopher Jackman. This Court granted plaintiffs' motion and adopted the original schedule entered by the District Court. This Court's order did not comment upon or alter the dates for the motion to exclude the expert opinion. Notably, no response has been filed by either the initial date provided by this Court (11/20/17) or the proposed date included in plaintiffs' motion (11/30/17). Plaintiffs' response to defendants' motion to exclude the purported expert opinions of Christopher Jackman is to be filed by noon on 12/8/17. Defendants' reply is due 12/15/17. 12/07/2017	173	<i>AMENDED</i> NOTICE of Motion by Lori Ann Fanning for presentment of motion to clarify, 171 before Honorable Michael T. Mason on 12/12/2017 at 10:00 AM. (Fanning, Lori) (Entered: 12/07/2017)
12/07/2017	174	MINUTE entry before the Honorable Michael T. Mason:The Court is in receipt of plaintiffs' motion for clarification 171 , which is granted in part and denied in part. As noted in the motion, plaintiffs do not seek additional time to file their response to the motion to exclude Christopher Jackman's expert opinions. Accordingly, the Court need not rehash the procedural history of the matter to address where potential confusion over the briefing schedule arose. Plaintiffs' response to defendants' motion to exclude remains due by noon on 12/8/17. Defendants' reply is due 12/15/17. Further, as acknowledged by plaintiffs, they have yet not filed a motion to exclude defendants' expert's testimony, nor has any such motion been referred to this Court. Accordingly, at this time the Court may only consider the renewed motion for class certification (dkt. 141) and defendants' motion to exclude (dkt. 166.) The Court intends to consider the class certification motion and motion to exclude pursuant to the standards set forth by this Circuit. At this stage, the Court does not find it necessary to set oral arguments on either the motion for class certification or the motion to exclude. Should the Court determine that oral arguments are necessary once we are in receipt of the full briefings on each matter, we will set oral arguments at that time. The motion hearing scheduled for 12/12/17 is stricken; no appearance is necessary on that date. Mailed notice. (rbf,) (Entered: 12/07/2017)
